

# King of sand

1 / 1

## 1:

Can you hear what the radio's saying?  
Every song seems to be about you  
How you came without warning last summer  
Then had better things to do

Watched a sea gull fly rounds near the harbor  
Like it was searching the beach for a friend  
It was raining and there I was walking  
Always lonely in the end

## Chorus:

Here comes the king of sand  
Here comes the king of no real thing at all  
Here comes the king of sand  
Here comes the king of no real thing at all

## 2:

Saw a ghost walking close by the water  
Left no trace on the waves she stepped in  
When I woke up I thought I could feel you  
And the soft warmth of your skin
