

# Sail in the breeze

1 / 1

You are a woman of that passionate kind that isn't easily found  
You make a man like me completely forget all other women around  
There's no distraction from you, there's nothing else on my mind and I feel  
Being with you is an intense and everlasting, unforgettable deal

You're like electrical fever, and I'm begging that the rush never stops  
You're like a snowslide of feelings, gently drowning me from bottom to top  
Someone as giving as you can only give because one day you'll retrieve  
You have the strength of a lion but you're floating like a sail in the breeze

Can't you stay with me – no, not tonight  
Floating down the sea – still it felt right

Only a fool would try to change the rules of life, because they always apply  
Something as savage as you can not be tamed, no matter how hard you try  
No one can stop you from living, 'cause you've got only one life, so go  
You are not easily satisfied and know you must go, so just go  
I am aware that you can only give so much because one day you'll retrieve  
You have the strength of a lion but you're floating like a sail in the breeze

Can't you stay with me – just for tonight  
Help me let it be – shed me some light

No one can stop you from living, 'cause you've got only one life, so go  
You are not easily satisfied and know you must go, so just go  
I am aware that you can only give so much because one day you'll retrieve  
You have the strength of a lion but you're floating like a sail in the breeze
