

Between your legs and in your arms

by G. Smith

Verse 1:

Calm and gentle
Yet there's passion in your touch
You're no
Stranger to fantasies
But you know when it's too much
And that is why
Whenever I lie close to you
There's nothing in between us
Except for the loving trust and lust
We share
And rings we wear

The way you kiss
Oh I have missed
You long before I met you
You're no
Stranger to loneliness
And you know to kill your time
As well as mine
Whenever I'm on top of you
There's nothing else we're feeling
Except for the loving thrusts of lust
We share
Until we're there

Chorus:

All my life
You were why
Each time I said I've got it all
It was a lie

Every ex
And all their charm
I'm only home between your legs
And in your arms

Verse 2:

You impress me
With your wit and eloquence
When I'm
Cocky you diss me hard
With "no shit" intelligence
And that is why
Whenever I say something wrong
I know that you can take it
As long as I do apologize
We're fine
And you are mine

And when I hate
The man I am
And my own face disgusts me
When I'm
Ready to fall apart
You are there with all your heart
As well as mine
Whenever I am far from strong
I know that you can take it
As long as we lift each other up
We're good
We knew we would

**Chorus:**

All my life
You were why
Each time I said I've got it all
It was a lie

Every ex
And all their charm
I'm only safe between your legs
And in your arms

Verse 3:

Calm and gentle
I'll be there for you as well
You're no
Stranger to misery
And you know that I can tell
And that is why
Whenever you lie close to me
There's nothing in between us
Except for the lust, and love and trust
We share
And rings we wear

The way we speak
Unfiltered truths
We just seek understanding
We're no
Strangers to great distress
And we're less when we're alone
But we're at home
Whenever you're on top of me
There's no one else who could be
We're making life a fantasy
We care
We'll get us there

Chorus:

All my life
You were why
Each time I said I've got it all
It was a lie

Every ex
And all their charm
I'm only home between your legs
And in your arms
