

Close to home 2

by G. Smith

1 / 2

Verse 1:

You know it's not my choice
It hurts to hear those words in my own voice
I know you truly care
This life is so unfair

You'd catch me if I fell
You try to understand my path through hell
And it's so hard to tell
Why this did not go well

You do deserve my love
I know you do
And if I could, I would love you

I wish that it was true
And it was real
But that's not how I feel

So close and yet so far
That's where we are
So close to home

Verse 2:

I've always had this dream
And I thought that I knew what you must do
But you did all there is
And still I feel like this

No one I ever met
Has been this good to me. I hate to see
The pain you get through me
I watch regretfully

You do deserve my love
I know you do
And if I could, I would love you

I wish that it was true
And it was real
That's what I want to feel

So close and yet so far
That's where we are
So close to home

Bridge:

In spite of the way
That this chapter ends
I do hope and pray that one day we'll be friends

And I'll make my amends
For wasting this chance
For letting you fall

So close and yet so far
That's where we are
So close to home
