

# Perfectly fine

by G. Smith

1 / 2

## Verse 1:

Smile on my face  
I wink at you at such indifferent pace  
"How are you doing?"

"Perfectly fine"  
My voice sounds honest and I  
Don't hesitate  
Perfect charade

Practiced a while  
Lied to my mirror till I fell for my smile  
"I'm doing fine"

"Glad you're alright  
I gotta go now, see you soon and good-bye"  
Outta my sight

They don't care at all

## Chorus 1:

Banned from the light  
In the night  
Lies this feeling

Please be so kind  
Don't remind me of her

Caught in this state  
Too afraid  
Of revealing

All that I felt  
When I dealt with my loss

**Verse 2:**

Acting okay  
Is how I spend the better part of my day  
How am I doing?

"Perfectly fine"

It sounds so wrong and yet I  
Really don't mind  
Saves so much time

Facing the truth  
Would cause me pain and I take care of my health  
Slave to myself

All on my own  
I managed to survive this long and be strong  
Keep hanging on

It won't last forever

**Chorus 1****Chorus 2:**

Banned from my heart  
Torn apart  
Suffocating

Pieces of me  
I want no one to see

Bound to my pride  
I abide  
This illusion

Smiling so kind  
It's a threat to the mind

**Chorus 1**
