

So much more

by G. Smith & Ravena Deborah

1 / 2

VERSE 1:

Wrap your arms around my neck
Let our tongues and lips connect
Close your eyes and move your hips
Melt beneath my fingertips

The room goes empty when you're near
I wish you'd stay forever here

CHORUS:

Is this the last time?
Is this the first day?
Do you stay or do you walk away?

Is this our last night?
Cause it feels just right
And there is not much more for me to say

VERSE 2:

Words just spoil the grown-up fun
No more talking till we're done
Use our bodies till they're sore
But I wish for something more

My life goes empty when you leave
There's so much more I have to give

CHORUS:

Is this the last time?
Is this the first day?
Do you stay or do you walk away?

Is this our last night?
Cause it feels just right
And there is not much more for me to say

BRIDGE 1:

I feel you responding
To every movement, every touch
Our bodies are bonding
It's so intense, almost too much

CHORUS:

Is this the last time?
Is this the first day?
Do you stay or do you walk away?

Is this our last night?
Cause it feels just right
And there is not much more for me to say

BRIDGE 2:

Don't stop now, don't leave me
There's so much more I have to give
Don't doubt me, believe me
You're not so cool, don't act as if

CHORUS:

Is this the last time?
Is this the first day?
And do you stay or do you walk away?

Is this our last night?
Cause it feels just right
And there is not much more for me to say

END:

Your arms around my neck
Our tongues and lips connect
Move your hips and feel my fingertips

And then close your eyes
Take off your disguise
When you're near I wish you'd stay forever here
