

# Catch the light

1 / 1

## Verses:

Catch the light in moments when the sun shines bright  
Keep it safe within your heart and hold it tight  
And someday when you are feeling sad or ill  
Just remember that somewhere there is sunlight still

Catch the light that twinkles on a starry night  
Keep it safe within your dreams and hold it tight  
And someday when darkness greets you with a chill  
Then remember that somewhere stars are twinkling still

## Chorus:

Catch the light (catch the light)  
Hold it tight (hold it tight)  
For the day when all your hope seems out of sight  
When you fear your miracle can never be  
Please remember that someone loves you endlessly

Just remember that someone loves you endlessly
